

Franciacorta Rosé Extra Brut

OUR LEAVES

This Rosé is obtained mainly from Pinot Noir grapes, harvested in our vineyards whose history and quality are traditionally consolidated. The classic soft pressing and the right maceration time on the skins give this wine its strength, complexity, and persistence. Chardonnay completes the blend to achieve perfect balance. It has soft and abundant foam; the marked notes of berries and ripe fruit are enhanced on the nose. On the palate it is full, round and with good body. Excellent as an aperitif, but certainly gives its best with cured meats, grilled meats, blue cheeses and Grana Padano.

The grapes are delicately pressed with pneumatic lung presses with soft squeezing and separation of the must.
